Golden Apple

Last Tuesday Mrs Pearce, Mikayla & Ike went to the Golden Apple to receive a cheque for $1090.32 off Mr Angelo Fiumara. This donation came about after the collection of your shopper dockets throughout 2012. A big thank you to the Golden Apple for providing this program to local schools and to everyone who collected their dockets throughout the year. The funding received by the school will go towards Literacy, Numeracy and Technology resources including the purchase of Ipad minis for use in the classroom.

P&C Mufti Day

Last Wednesday the students celebrated P&C day by coming to school in casual clothes. The main focus of the day is to recognise the outstanding work that a small, but very willing group of parents contribute to our school each year. The mufti day raised $421.00.

NRL Clinic Stage 3

On Thursday we had five Leeton High school students visit the school to conduct NRL clinics as a part of their Business Certificate course which they are completing through TAFE. These young gentlemen did a wonderful job of running the clinics under the watchful eye of Mr Whymark. At Leeton Public School we are committed to working together with all of our partner schools to promote the education of all students.

Principal’s Message

Dear Parents/ Caregivers

Last week we had students involved in activities such as the AFL trials, NRL clinics, Basketball trials & Swimming program. Staff were also busy with Professional development activities involving the use of the Literacy continuum in assessment for and of learning.
**LNPSSA AFL Trials**

Last Tuesday the LNPSSA AFL Trials were held at the showground. The boys who attended the day had a great time going through some skills with the development officers and playing a game. Congratulations to Daniel Barton, Harrison Rudd, Koby Eglinton, Jye Doyle, Kane Deaton, Kai Schmetzer, Blair O’Connell, Josh Baulch and Braxton Wallace who were all selected to attend the Riverina trials at Barooga on Thursday the 28th of March.

**Basketball Trials – Albury**

Last Friday 13 of our students travelled to Albury to take part in the Riverina Basketball trials. All of our students did well on the day and enjoyed themselves. Congratulations to Braxton Wallace who has been selected to represent the Riverina in Basketball.

**Swimming Sport**

Last Friday we began the Swimming Sport program. This will continue in week 8 and 10. Parents are reminded that if your child is unable to swim on the day they must provide a written note to their class teacher.

Swimming is a life skill which all students should learn. It is targeted in our Stage 2 and 3 Sporting programs to ensure students leave Leeton Public School with a sound understanding of Water safety.

**YAHS Gala Day**

Last Saturday Yanco Agricultural High School held it’s Gala Day. On the day two of our students, Madeline and Amelia Sachs performed with the Yanco Ag Choir. At the Gala day they sang three songs. The girls joined the Yanco Ag choir after performing with them at the Australian Youth Olympics opening ceremony in Sydney in January, which was organised by the same people as School Spectacular.

Also performing on the day was former student Vy Owen who performed in the Leeton Town Band.

**THIS WEEK**

**Play School Concert**

On Tuesday our Kindergarten students will be attending the Play school Concert. They will be leaving the school at 9:30 am and returning at 11am. I know that our students are extremely excited about the concert and are looking forward to meeting the presenters on the day.

**Harmony Day Forum**

On Thursday the 21st of March our SRC students will be involved in a Harmony Day forum organised by Ms Belford.

**Reading Eggs Program**

The school is purchasing the Reading Eggs program for use in the classroom. This program allows students to access an individual program at home which is monitored by the classroom teacher ensuring students are working at an appropriate level. For your child to access this program we are requesting a Technology contribution. Once paid, students will be issued with a laminated card containing their username and password which may be used at home. Further details regarding this program and the contributions will be sent home this week.

**Notes**

At present we have a variety of different events taking place. It is essential that all permission notes are signed and returned by the stated due date. This allows us to finalise event preparation, student numbers and transportation if required.

**Easter Hat Parade - Thursday 28th March**

On Thursday March 28th, K-2 will be participating in our annual Easter Hat Parade. This traditionally follows our Cross Country and shared lunch with families on the grass area. This is a little reminder to inform all families that it’s a good time to begin to start making a simple hat for their child!

At Leeton Public School we encourage open channels of communication between the home and the school. If you have any questions or queries regarding your child’s education I encourage you to contact the school and speak to the class teacher, Assistant Principal or myself.

Jayne Gill
Principal

In 1McW this week we looked at how to write an information report on the Great White Shark. We learnt how to use subheadings and also how to read and highlight important information to use in our writing.

Great White Shark

Family: Sharks are a type of fish.

Habitat: They are found in oceans all over the world.

Food: Sharks like to eat meat like seals and sea lions and fish.

Appearance: They have sharp teeth and scarred skin from their prey.

Leeton-Narrandera-Griffith PSSA AFL Team Trials

Last Tuesday, 15 Stage 3 boys participated in an AFL trial at the Leeton Showground. Following a short skills clinic the boys participated in AFL games from which the Leeton-Narrandera-Griffith PSSA AFL Team was selected. Congratulations to all LPS students who represented our school on the day. Good luck to Daniel Barton, Harrison Rudd, Koby Eglinton, Jye Doyle, Kane Deaton, Kai Schmetzer, Blair O'Connell, Josh Baulch and Braxton Wallace who will compete in Barooga on March 28.

On Thursday 21st March, a group of nominated Stage 3 Boys will be participating in the Leeton-Narrandera PSSA District Rugby League Trials (Opens and 11’s) at Parkview Public School. The trials will begin at 9:30 am. Students will be travelling to the event in private vehicles. Many thanks to those parents and carers assisting with transport on the day.

Permission Notes

Throughout Term I of 2013, LPS students have been given the opportunity to participate in a variety of activities through sporting teams, gala days and cultural events. Every participant has been required to return a separate signed blue permission note (and payment if required) for each event by a requested date. It is essential that these permission slips and their payments are submitted to the LPS office by this date. As many of these events include other schools, the deadlines assist teachers to coordinate final arrangements for student numbers, draws, canteen, equipment, transport and volunteers for all schools participating. Please assist us with this by returning completed permissions slips by the stated date. If your child has been absent from school, please remind them to ask their teacher and the front office if they have missed collecting any notes that need to be taken home for any such events.

Swimming

Last Friday all Stage 2 and Stage 3 students walked to the Leeton Memorial Swimming Pool to participate in water safety education as part of our Sports program. This is an annual component of our School Sport program and PE curriculum. It is expected that all students participate in this educational component. Students are reminded to bring their pool entry fee on the day. If your child is too sick to participate in the event, please send in a note explaining this to their classroom teacher.

NRL Clinics

On Thursday 14th March Leeton Public School was visited by five Leeton High students Joshua Higgins, Ryan Weston, Joshua Nikoro, Kane Pete & Braiden Hogan-O’Brien who are completing their Business Services Certificate 2 through TAFE. As part of the cooperative initiative between the schools, the students have been practising the necessary skills for successfully working in the business sector. Part of their training has been structured around coaching younger students through NRL clinics. On the day, the Leeton High students planned and delivered two separate NRL skill
sessions to Stage 3 LPS students. This provided the older students an opportunity to develop their planning, management and public speaking skills, while also serving as role models for the younger students.

NRL Business Services Program Coordinator said “The Leeton High School students that participate in this course learn all aspects of the Rugby League business and they have taken to this course with great enthusiasm and energy” Mr Vanzanten said. “The coaching program that is run within this course enables the students to see the skills that are behind the delivery of any skill or drill. The impressive thing for me is not only the students attitude toward the program but the positive and welcoming nature that the Leeton school community has shown which has allowed these young men to highlight or improve on their leadership and communication skills.

The program will continue throughout the year as the High School students refine their skills. Overall, the program will assist in building stronger links between all the Public Schools of Leeton and show younger students potential opportunities for learning in the future.

LPS Vegie Garden

A big thank you to Jamie DePaoli for the load of worm castings for our vegie garden last Sunday. It will improve the quality of the soil. It was great of Jamie to think of us.

Mrs Jenny Tiffin, Garden Co-ordinator

LPS Cross Country

We will be running our annual Cross Country through LPS and LHS grounds next Thursday (28th March). Starting time is 9:30am and finishing time will be approximately 11:00am. If any parents/grandparents could help with ‘manning’ a checkpoint around the track it would be greatly appreciated. No running by helpers is required!! Just bring a chair and watch the children jog past. If you can help out please let me know by phoning the office or sending in a note.

Mrs Jenny Tiffin, Cross Country Co-ordinator

On the 28th March, LPS will be holding its annual Cross Country Race. Those students representing LPS in Barooga on the same day will be completing the Cross Country Race on Wednesday 27th March. Their finishing times will be recorded and compared to all times when completing final placements for the event for all age groups.

Mr Kris Sales, Sports Co-ordinator

Information Hub Book Buzz!

READING EGGS and READING EGGSPRESS!

LPS is embracing the technological age by introducing Reading Eggs and Reading Eggpress to our Literacy program. Apart from the fabulous individually levelled reading program which is accessible from both school and home there is also a virtual library full of appropriate level readers! Once the Reading Eggs contribution is paid, your child will bring home a laminated card complete with their log on details, this will allow them access to Reading Eggs/Reading Eggpress and the virtual Library!

Happy Reading!!!!

Information Hub Tech Talk - Apps of the Week

In the Information Hub we introduce students to many different apps which are available for ipods and ipads. We aim to give students, and now parents, an educational app which are relevant and, we believe, are worth the money! Check out the ipad and ipod apps which complement the Reading Eggs and Reading Eggspress program!

Don’t forget to check out the LPS Information Hub wiki at www.lpsinformationhub.wikispaces.com for activities used in class, great Book websites and educational games. All students have access to our wikispace through their student portal. Students can access their student portal from home through the link https://sso.det.nsw.edu.au/sso/UI/Login?goto=https://student.det.nsw.edu.au/ or by “googling” DET student portal.
