Principal’s Report

Dear Parents and Carers

Wow! What a busy week at LPS last week with a variety of activities taking place throughout the school. On Tuesday we had the LPS Swimming Carnival followed by a visit by AFL development officers on Thursday. Also taking place were auditions for our Stage 2 Dance group and School choir. In Infants our Kindergarten students completed Best Start and were officially placed into their individual classes. Ms Moore was also busy auditioning students for our Infants Dance group which we will have running this year at the school.

EXTREME HEAT

This week is set to be a week of extreme heat. During this hot weather we are enforcing the no hat, no play policy and encouraging all students, especially the younger ones to drink water. All teaching spaces are air-conditioned and students will be encouraged to play under the COLA’ and in the air conditioned halls during breaks.

Whilst our learning spaces are air-conditioned in such periods of prolonged extreme heat the spaces do become hotter, especially in the older Primary buildings. If rooms become too hot students will have time in a cooler area of the school.

Please be aware that all staff use the air conditioners in the classroom and that these have just been serviced last week.

Please ensure that your child brings in a water bottle which they can refill regularly at the bubblers.

LAST WEEK AT LPS

SWIMMING CARNIVAL

Last Tuesday the Primary students enjoyed a wonderful day at the annual Swimming Carnival. All students are to be congratulated on their behaviour and to those who competed in the races – well done. A close competition was had throughout the day with the winning house for 2015 being STURT.

I would like to take this opportunity to thank Jane Houghton who was stroke judge on the day along with Annalise Ramponi. I would also like to sincerely thank all of the parents who helped out on the day in many ways including marshalling, organising the students for events and timekeeping. Without your help we would be unable to run such events at our school.

Thank you also to the many parents and carers who turned up to cheer and to the teachers for their hard work at the carnival. Special thanks to Mrs Pearce for her organisation of this event.

Students who have qualified will take part in the LNPSSA carnival to be hosted by Narrandera on Friday 20th February. There is a report elsewhere in this newsletter regarding the carnival.

KINDERGARTEN – BEST START

Last week Kindergarten students completed the Best Start Assessment. The Best Start Kindergarten Assessment is designed to identify each student’s literacy and numeracy skills and understanding at the beginning of Kindergarten. After undertaking the assessment regime parents are issued with a report indicating areas their child may need assistance in and ways in which they can further develop their child’s skills. The Best Start initiative is an ongoing commitment in all Government schools. It is intended to ensure that all students are on track in their literacy and numeracy learning by Year 3.

SPORT DEVELOPMENT SESSIONS

Many thanks to the Australian Football League who provided Development Officers to our school last week. All students K-6 were engaged in some terrific skills based lessons where they learnt more about AFL code and most importantly some key skills.
P&C ANNUAL GENERAL MEETING- Tuesday 10th February

The Annual General Meeting (AGM) of the P&C will be held this Tuesday, 10th February commencing at 7.00pm in the Primary staff room next to the main office. Existing and new parents to our school are most welcome to come along and I look forward to seeing many new faces. I look forward to working with a P&C who’s members will be committed to working with the school to provide enhanced learning outcomes and opportunities for all students who attend Leeton Public School.

All positions are vacant and if you are considering taking on an official role within the P&C we look forward to your nomination.

I would like to sincerely thank and acknowledge Melissa Anthony and all of the 2014 P&C Committee and members for their hard work.

SCHOOLS PHYSICAL ACTIVITY AND NUTRITION SURVEY (SPANS)

Some of you may have heard about the Schools Physical Activity and Nutrition Survey (SPANS) which involves over 100 schools in NSW. I am delighted to announce that our school has been invited to participate. This is a great opportunity for our students to be involved in helping health professionals better understand children’s lifestyles such as their physical activity, fitness, food habits and movement skills. A team of specially trained teachers will collect the information on almost 8,000 students from Years K, 2, 4, 6, 8 and 10. The survey is being managed by a research team from the University of Sydney.

Children in some classes in Years K, 2, 4, and 6 have taken home information about the study and a consent form. If you have received this package, please read carefully the information statement; if you agree to allow your child to participate, please complete the consent form, and send it back to school (using the envelope provided) as soon as possible. The survey will take place at our school on the Wednesday, 18 February 2015.

ATTENDANCE

Attending school every day makes learning easier for your child and helps build and maintain friendships with other children. If students miss the basic skills in the early years of school, they may have problems later on. Regular attendance at school will help your child to succeed in later life.

The law in NSW states that all children between the ages of six and seventeen years are required to attend school regularly.

It is the responsibility of parents or caregivers to make sure that their children attend school every day. You must send your child to school every day unless:

- your child is too sick to go to school
- your child has been injured
- your child has to attend a special religious ceremony
- your child has an infectious illness for example, chicken pox, mumps or measles
- there is a serious family situation which requires their involvement.

It is important to let the school know when your child will be away and why your child was absent. You should telephone the school or provide a written note addressed to the school explaining the child’s absence. If you know your child will be away from school, you should advise the school in advance. In some circumstances a Certificate of Exemption can be issued by the school.

If any parent has a concern about their child’s education or would like to discuss any aspect of school life, please contact me at the school.

CONTACTING THE SCHOOL

We want all parents to be involved in our school and we value your contribution to ensuring our school is a fantastic place to be. Teachers, Assistant Principals and the Principal are available to discuss any concerns regarding your child. Please feel free to contact the school on 69533488 or drop into the office to make an appointment.

Please keep the following in mind when raising a concern; It is best to discuss your concerns with your child’s teacher first. Make an appropriate time to meet with them or phone the school and ask for an appointment with the teacher.

The second point of contact is the stage leader. Our stage leaders for 2015 are:

- Infants- Mrs Gena Fraze
- Years 3-4- Mrs Rachel Thomason / Mrs Jo Pearce
- Years 5-6- Mrs Cathie Ramponi
If you feel your concern has not been adequately addressed, or if you do not feel it is appropriate to talk to them, phone and make an appointment to discuss your concerns with the principal.

Finally a thought for the week…

“This day is your gift. Use it to advance your dreams and make this world a better place. We all need you to shine.” – Robin Sharma.

Jayne Gill
Principal

ASTHMA OR OTHER EMERGENCY ACTION PLANS

If your child experiences asthma or any other medical condition which may require urgent attention, could you please ensure we have an asthma plan or other important medical information.

COURT ORDERS/ AVO’s

It is important that the school holds all current court papers including AVO’s pertaining to students who attend Leeton Public School. Please ensure that you provide the school with a current copy of any Court Orders that you may have.

SCHOOL SECURITY

Over the years on weekends and after school our school, along with others in the community has been a target for vandalism. These incidences cost the school money and often inconvenience the students and staff.

We ask you to keep a watchful eye over the school whenever you are around after hours. If you see anything untoward, please call the Department of Education’s Security Hotline:

Brian Taber Shield Cricket

A thank you to the parents who drove and supported our boys last Monday in Narrandera. A big thank you to David Tiffin who umpired both games, trained the boys prior to our games and wrote the report that appears below.

Following the match, Nathan Baulch was selected to attend the try outs for the Riverina team. Congratulations and good luck Nathan.

Mrs Jenny Tiffin LPS Cricket Coordinator

The Leeton Public School cricket team travelled to Narrandera on Monday the 2nd of February to participate in the first two rounds of the Brian Taber Shield. Leeton was drawn to play Narrandera in the first round, winning the toss and electing to field first. Nathan Baulch (1-5) struck early and Jack Coelli (1-3) removed the other opener. Narrandera’s Brad Hutchinson (8) held his team’s innings together until he was run out. This sparked confusion in the opposition as they proceeded to be run out a further four times as they pushed for a competitive total. Captain Matthew Ryan ended the innings on 48 with a catch off his own bowling.

Matthew returned to open the batting with Emerson Cody and proceeded to hold up an end until Hutchinson bowled him for 2. Tye Clancy (8no) then joined Emerson at the wicket and the pair put on the final 23 runs with Emerson hitting two fours on the way to 16 not out. Leeton Public reached the total with 8 overs to spare to book their place in the next round against Parkview.

Parkview won the toss and opted to bowl first in the second round match and the decision proved fruitful when they had Leeton reeling at 3-4. Taj Doyle (10) and Emerson Cody (10) combined in the middle order to resurrect the innings, taking the score to 31. With Doyle removed, Emerson was ably supported by Jack Coelli (5) and Jhie Deaton (7) until he was run out with the score on 60. Tight bowling from Parkview restricted Leeton to a total of 65 with Corey Axtill (2-5), Tyler O’Connell (1-7) and Riley Bradshaw (1-6) economical from their four overs.

With only a small total to defend from 20 overs it was imperative that Leeton started well and Nathan Baulch didn’t disappoint. He removed both Axtill and O’Connell in the first over which finished being a double wicket maiden. Flynn Anthony struck in the fourth over to have Parkview struggling at 3-3 and when Braith McCann caught Brody Lashbrook off his own bowling Parkview where in trouble at 5-14. In an incredible show of persistence and defiance Jai Patten and Cody Browne steadied the ship as the pair pushed the singles around. Parkview needed 10 off the last five overs and Blake McDonald’s tight bowling (0-5) looked to restrict the chase but ultimately the batsmen won out with Patten (19) and Browne (12) hitting the winning run in the 19th over.

Parkview now move on to the next round of the Brian Taber Shield after many years of dropping out at this stage and Leeton Public wishes them luck as they represent the town in the next round. The Leeton Public School boys should be commended for their behaviour on the day when teachers and helpers are always busy with cricket duties and we will look forward to next years competition.
